## Personal profile

---

I'm a second-year student of informatics and econometrics on the Faculty of Economic Sciences of the University of Warsaw. Last semester I have achieved grade point average of 4,41. I'm looking for an opportunity to expand my skills and grow in fields of my studies and interests. I'm interested in internships during months of July until September/October, but I'm open to the possibility of continuing work during academic year.
